

Dear Patients and Colleagues:

September 14, 2021

It is with mixed emotions that I am announcing my retirement from Plastic Surgery effective December 1, 2021. Caring and working with you over the last 27 years has been an incredibly rewarding experience and the highlight of my career.

I have come to know many of you as friends and will continue to as I move to this next phase of my life. Although I will no longer operate, I look forward to devoting much of this energy into our rapidly growing spa. We will continue to offer Coolsculpting, Botox, Fillers, Laser and Micro-needling with PRP. I will provide post-operative care to my patients through March 2022.

For future plastic surgery needs I am happy to recommend in the Vancouver area Dr. Cynthia Gray, Salmon Creek Plastic Surgery and Dr Allen Gabriel. In Portland area I recommend The Portland Plastic Surgery Group, as they are also very reputable. All of these surgeons operate with the utmost skill and professionalism..

My wife Carol Workman MD is also retiring after 29 years as a physician, and this will allow us to be able to spend more time together with our children Natalie and Christopher. We will be staying in the area and remain active in the community. Hopefully our paths will cross again.

Thank you again for being a part of an immensely satisfying career in the practice of plastic surgery and best wishes to all of you in the future.

With Warm Regards,

Michael Workman
